

Jennie's Visit to LIA Cambodia

Jennie and LIA girls

Here is a bit about our stay in Cambodia.

Our team of six Australian girls (Annie, Annalisa, Courtney, Angie, Katie and myself) spent three weeks in Cambodia where we volunteered at LIA. Mummy Ruth and Trace lovingly supported our team through culture shock and heat exhaustion to experience Love in Action first hand. We were overwhelmed with happiness of the children living in the orphanage on our very first day. It was stinking hot and we were sweaty from walking down the dirt road to find the girls' orphanage. A beautiful little face peered through the gap in the gate to ask me 'Do you know Jesus?' The children shared songs, hugs, tears and laughter the very second we walked into the home.

Over the three weeks, we learnt about the amazing life stories of the children in Cambodia. Our hearts were broken at the situation and we quickly realized the need for love everywhere. In Australia we complain about the most trivial of things and don't put into perspective the worries of the world. Through our experience in Cambodia with LIA our eyes have been opened and our hearts have been touched in such a way we will never be the same again. Thank you LIA for sharing this amazing God filled experience with us. We will cherish it always.

God said don't depend on your own power or strength but on my Spirit. Zechariah 4:6

PS. I cannot wait to come back and do it all again with a new team.
