Rins Update on our Music Students

Hello, my name is Rin and I am one of the Directors of Water of Life. Within our vision at Water of Life I run a music & arts school. I have been a part of teaching Love In Action young People for over 3 yrs. It has been an honour and privilege to have three children from LIA, Peaktra, Manel and Kimloun as my star pupils. Peaktra is studying paino, Manel is studying guitar and Kimloun is learning drums. Peaktra has also shown great aptitude for artwork so I am encouraging him in that area as well. They come every day to learn and are so faithful and diligent. We are learning now how to write music and lyrics which is by no means an easy task, but I know that they are up to the challenge ahead of them. Next year we hope to do an exhibition of art and music and a display of Khmer dancing along with music and songs that the boys have composed themselves. I have started to employ Manel (after school) as a guitar teacher and pay him a small wage. I feel so happy and proud to work alongside the children as well as being connected to Muma Ruth, Tracey and LIA. Thank you for allowing me to play my small part in helping LIA and to serve the Lord hand in hand with you.

Blessings from your Brother in the Lord
