**Srey Reing Update.**

Hello to you all,

Here we are with a packed newsletter. We have had a lot happening at LIA over the past six weeks. We have moved into our second orphanage in the city of Phnom Pehn. We now have three homes running for LIA Cambodia. Two in PP and one in Srey Reing, we reviewed our vision recently and we have reached our five year plan within three & a half years. That is only through the goodness of our God, not through our own striving. Yes it has been through a lot of hard work but all is done to the glory of our God. I have had a broken shoulder the last 5 weeks. It is broken in the back so the healing process is unsure. I had an x-ray again recently and there is no sign of healing yet. They may have to pin or plate it, but I am trusting God in all the process. It is not only inconvenient but very painful & it is very wearing. So I would appreciate your sincere prayers. Here are the pics of our latest house which we have the girls and small children under 8 with them. When Trace and I went to look at this house as soon as we walked in the gates we both said to each other it feels like a HAVEN. That's what we want all our homes to be. Our other home is for the boys around 10yrs and up. At first they all felt a bit lost away from each other as they really do become a family but we have family time together.

We now have 5 babies all under eight

months old & other new children added to the family. We will share their stories with you. There is so much need here for postnatal & prenatal care. Babies are just dumped sometimes and left to die. One never gets used to seeing a little one left in such need. God has a place for every child. Keep praying for us.

God's Blessings to you ,

*Love Ruthie*

**Happy Birthday Mummy !  
We Love You.....**

Ruth found herself overwhelmed when 52 children all presented her with a rose( that's a lot of rose's) & a bunch of orchids & of course cake. Thanks Randy for your help in making Ruth's birthday special. And she thought no one knew. We can't let such a special lady's day go unnoticed.

## Thank-you Geoff

Geoff & boys add covering to new home.

We want to make mention of Geoff who came to work with us at LIA for 10 weeks. He has been with us at such a crucial stage of our expansion at LIA. He has not long returned home to Qld, Australia. Geoff did all he found his hand to do and did it well from building fences, steel bunks, driving, shifting house, concreting you name it. Ruth found his support & servant heart such a blessing. He especially got around our older boys at LIA and was a great father figure to them and got them involve in the projects which also gives them skills. We want to express our sincere thanks and love to you Geoff from us all at LIA. We miss you & look forward to your next visit. God's Blessings and Love to you Geoff.

## Srey Reing Home

Our home in Srey Reing has been overlooked & lots of preparations, repairs etc by Justin. Justin has been with us at LIA for nearly 3 months. He has been doing such a great job for us down at Srey Reing. He has been training the young Uni students in Bible & living & keeping our LIA home there in good repair. He has also been equipping it beta with funds donated from sponsors. As Srey Reing is our team house in that area where we base our medical clinics, as well as a young mans uni home. Once again we have been blessed with a young man that is a true servant, & with us during this crucial growth time. He has worked so hard for LIA & we are so grateful for his assistance. Whenever Ruth's needed extra help in PP homes he comes up the two & half hour travel to be there. Justin is 23 yrs old and comes from California in the USA. He is engaged to be married in March 2008. They are very open to God's called upon their lives as a couple. It is wonderful to have such reliable workers assisting us in the LIA vision.
