Long-Term Volunteers Commitment Form

We ask that you read this form carefully and sign it with full understanding of its expectations. We require you to complete this form for the purpose of fulfilling your committed period of time, to the Love In Action organization within Cambodia.

This assists us in keeping our work in Cambodia flowing in continuity.

The time regarded as a long term commitment is three months or more.

Once you have committed to a length of time we expect you to fulfil this time with Love in Action unless by mutual consent your time needs to be terminated earlier.

We will assess your work with us during the agreed period of time and we reserve the right to ask you to leave if you do not work with us in a teachable manner or cause undue upheaval.

During your stay at LIA we assess you monthly and observe your adjustability in our work within Cambodia. If you desire to stay longer than three months your assessment will impact on whether LIA grants this request.

We do recommend that if it is a first time experience in working overseas that you limit your stay to three months, return home and reassess yourself with reliable counsel at hand to walk you through any challenges you may find in your readjustment.

We ask that you communicate readily with our founder & director Ruth Golder. Ruth and other qualified workers will work with you through any challenges that you may experience in your stay with Love in Action.

All volunteers are expected to be financially self-supportive and are not to expect financial support or living expenses from Love in Action.

Love in Action is a faith work providing opportunity for you to expand personally and spiritually while assisting the less fortunate.
